

弁理士 募集中

KUHNEN & WACKER is an internationally active German law firm located in Freising. With more than 40 years of experience in the field of intellectual property (IP) and a highly motivated team of more than 90 well trained and experienced members KUHNEN & WACKER is one of the renowned addresses to choose in matters relating to intellectual property and provides a comprehensive range of services relating to IP matters to domestic, regional and international clients.

START YOUR CAREER AT K&W AND BECOME PART OF OUR TEAM! We are looking for

JAPANESE PATENT ATTORNEYS

in particular specialists in the electrical, mechanical, computer science and communication technology areas, who are interested in studying for and passing the European Qualification Examination, thus obtaining the professional qualification as a European Patent Attorney.

YOUR TASKS

will mainly involve all patent work including prior art search, claim drafting, responses to Office Actions as well as social networking and occasional traveling as contact person of our expanding Asia Relations Team.

WHAT WE EXPECT

is a Bachelor's, Master's or Doctor's degree in a technical field. You have a few years of professional experience as patent attorney in private practice or corporate IP department and are fluent in English (written and oral) and willing to learn German. Carefulness, accurateness and team-orientation round out your profile.

WHAT YOU CAN EXPECT

is an intensive training and support during an educational period provided by our experienced patent attorneys. We offer a modern and pleasant workplace with varied tasks in a highly motivated and diverse team of our renowned IP law firm. We further offer an attractive remuneration and flexible working hours and our employees have 30 days of vacation per year.
